Letter No. 3066/398 dated the 24th November 1910 from the Comptroller, submitting as required in Government order No. G. 5606-47/G.M. 155-07-2 dated the 27th March 1908, a report on the easements enjoyed by European Officers of the --- gazetted rank during the year 1909-10, together with the declarations received from them.

2. Further correspondence on the subject ending with the Comptroller's letter No. 1947/613 dated the 10th January 1911.

3. Correspondence on the subject ending with letters Nos. 1814 dated 16th March 1911 and 8129/645 dated 18th March 1911, from the State Geologist and the Inspector General of Education respectively.

Order thereon No:- G 1080-85
G.m. 10-10-19

Dated Bangalore, the 2nd June 1911.

In the above report the Comptroller brings to notice certain points which are not covered by Government sanction -- and seeks orders on the following :-

(a) the use of Government tents by Messrs. H.H. Sparkes, H.K. Slater, and S. M. Pritchard and Dr. W. F. Smeeth, although their names have not been included in the list of officers for whom

whom a scale of tents has been prescribed in article 565 of the -- Mysore Service Regulations.

(b) the use of free water and the services of peons by Messrs. L. H. Beckwith and R. Bocquet.

(c) the use of almirahs by Mr. J. G. Tait and

(d) the use of Government horses when available by Mr. R. W. Simpson.

2. As regards the use of tents noticed in para 1 (a), Government direct that the names of the Excise Commissioner and the State Geologist be included in the list of officers entitled to two tents and those of the Assistant Geologists and the Superintendent of Police, Kolar Gold Fields, in the list of officers entitled to one tent. Article 565 of the Mysore Service Regulations which regulates the supply of tents should be amended accordingly.

3. As regards the free use of water by Messrs. L. H. -- Beckwith and R. Bocquet, the attention of the Comptroller is invited to Government Proceedings No. 383-4/Geol. dated 13th August 1909 -- sanctioning a free allowance of 30,000 gallons of water for the --- quarters and office of the Inspector and Deputy Inspector of Mines and directing that the officers be called upon to pay for any excess over it.

As regards the peons allowed to these officers , the State Geologist explains that they are Government orderlies such as are allowed to other officers for duty at their residences. In the circumstance

circumstance there is no necessity for any special sanction.

4. The Inspector General of Education who was consulted in the matter of the use of almirahs by Mr. J.G. Tait states that the almirahs in question are not office furniture but that they appear to have been in use by the Principal of the Central College ever since the house was built in the time of Mr. Cook. Under the circumstance Government are pleased to accord sanction fo the use of the almirahs by the Principal.

5. Government also sanction the use of a horse when -- available by Mr. R. W. Simpsonem on public duty, free of charge.
